

However, before we begin, we need to see what is beneath the grass... could there be electrical cables?

Volunteer Martin, from Droitwich Spa station adopters, offered to check out the area using his CAT scanning device. There was nothing untoward, so we could seek permission from West Midlands Trains to proceed with our ideas.

There are three parts to this project

A Boat as a Flower Planter

but why a boat in landlocked Kidderminster? The intriguing bit!!

An Interpretation Board

to explain about the Twinning of Kidderminster with Husum

Two Wooden Benches

because there is nowhere to sit outside of the stations
