Our Support

Right from the outset we began working closely with the *Worcester Community Rail Partnership* who support us with what we want to achieve. Please refer to their website at this link - WCRP

This is part of the CRN organisation (Community Rail Network) which also provides excellent support and guidance. Please refer to www.communityrail.org.uk

Here you can link into a document *'Station adoption: a guide for the local community'* which gives full details on what adoption is all about.
